WASHINGTON D.C. <October 29, 2009> – Celebrating Home Vice President of Administration and Fundraising Jerry Benson shared about the opportunities available through Celebrating Home fundraising during an on-air interview with Consumer Magazine Program Radio Talk Show Host Ron Taylor October 29, 2009. The program was broadcast on KWRD 100.7 FM The Word Christian Talk Radio based in Dallas, Texas.

Mr. Benson highlighted how the Celebrating Home fundraiser program offers superior quality candles and food mixes available within the core Celebrating Home product line along with exclusive, dedicated fundraiser candles, with all fundraiser products made in Marshall, Texas, and sold across the country to benefit organizations large and small to help them achieve a variety of fundraiser needs. Benson also shared that 50% of all Celebrating Home fundraiser sales benefit the organization involved, an industry-leading level of return.

“With many organizations struggling in today’s economy, the Celebrating Home fundraising opportunity offers creative ways to get involved with the program to raise much needed money,” said Benson. “Churches, schools, sports teams, cheer teams, dance teams and day care centers partner with us, and even non-profit organizations use Celebrating Home’s fundraiser items to raise money to drive their non-profit goals.” Listeners were referred to the company’s corporate web site and toll-free number for more information on Celebrating Home fundraising.

In addition to sharing how Celebrating Home was formed through the blending of Home & Garden Party and Home Interiors & Gifts in March of 2009, Mr. Benson emphasized how Celebrating Home brings opportunity to people to earn personal income along with income for organizations. He emphasized the company's philosophy, prevalent in all Celebrating Home opportunities and endeavors: "Honor God first; focus on family second; work your business third."

Special call-in guests to the live broadcast were Executive Deb Goodridge and Senior National Executive Treva Castleberry, who offered their personal testimonials on Celebrating Home's rewarding fundraising program and multi-faceted career opportunity.

This interview was broadcast in conjunction with advertising for the Women's Business Expo & Job Fair held in Dallas, Texas, of which Celebrating Home was a proud corporate sponsor.
